

### **Statement Regarding National Youth Service Targeted Inspection**

DTB confirms receipt of the report by the Central Bank of Kenya regarding the targeted inspection of National Youth Service banking transactions carried out in 2016. On 12<sup>th</sup> September, the bank received a letter outlining the areas of investigation accompanied with a request for it to respond within the next 14 days on why the monetary penalty should not be levied. At this point, no penalty has been imposed to the bank by the Central Bank of Kenya.

Currently, the bank is reviewing the report with a view to providing a detailed response to the issues raised within the stipulated period.

DTB takes this opportunity to reassure its stakeholders of its compliance with all laws and regulatory guidelines as well as reassure its customers of its commitment to provide best-in class service.
